

Is This the Best Certification Track for You?

A photograph of three people in a meeting. A woman on the left is looking at a man in the center who is gesturing with his hands. A man on the right is looking towards the center. They are in a modern office setting with a whiteboard in the background.

## Advanced Practitioner

The demand for change management continues to grow exponentially. As the corresponding demand for experienced leaders also increases, many are forging careers within the field of change management.

### Completing the Prosci Advanced Practitioner Certification Track will:

- Continue your professional path with the leading organization in change management
- Amplify your ability to apply change management on projects and lead the people side of change
- Set you apart from others within the discipline

### Is the Advanced Practitioner Track right for you?

If you are answering yes to the following questions, the Advanced Practitioner Track is the right certification for you. Would you like to:

- Be the expert practitioner in your organization?
- Be hands-on when applying change management?
- Expand your knowledge through Prosci's actionable tools and trainings?
- Hold the change management 'guru' title within your organization?
- Help increase project success with the application of a structured change management methodology?

### Enrollment Requirements:

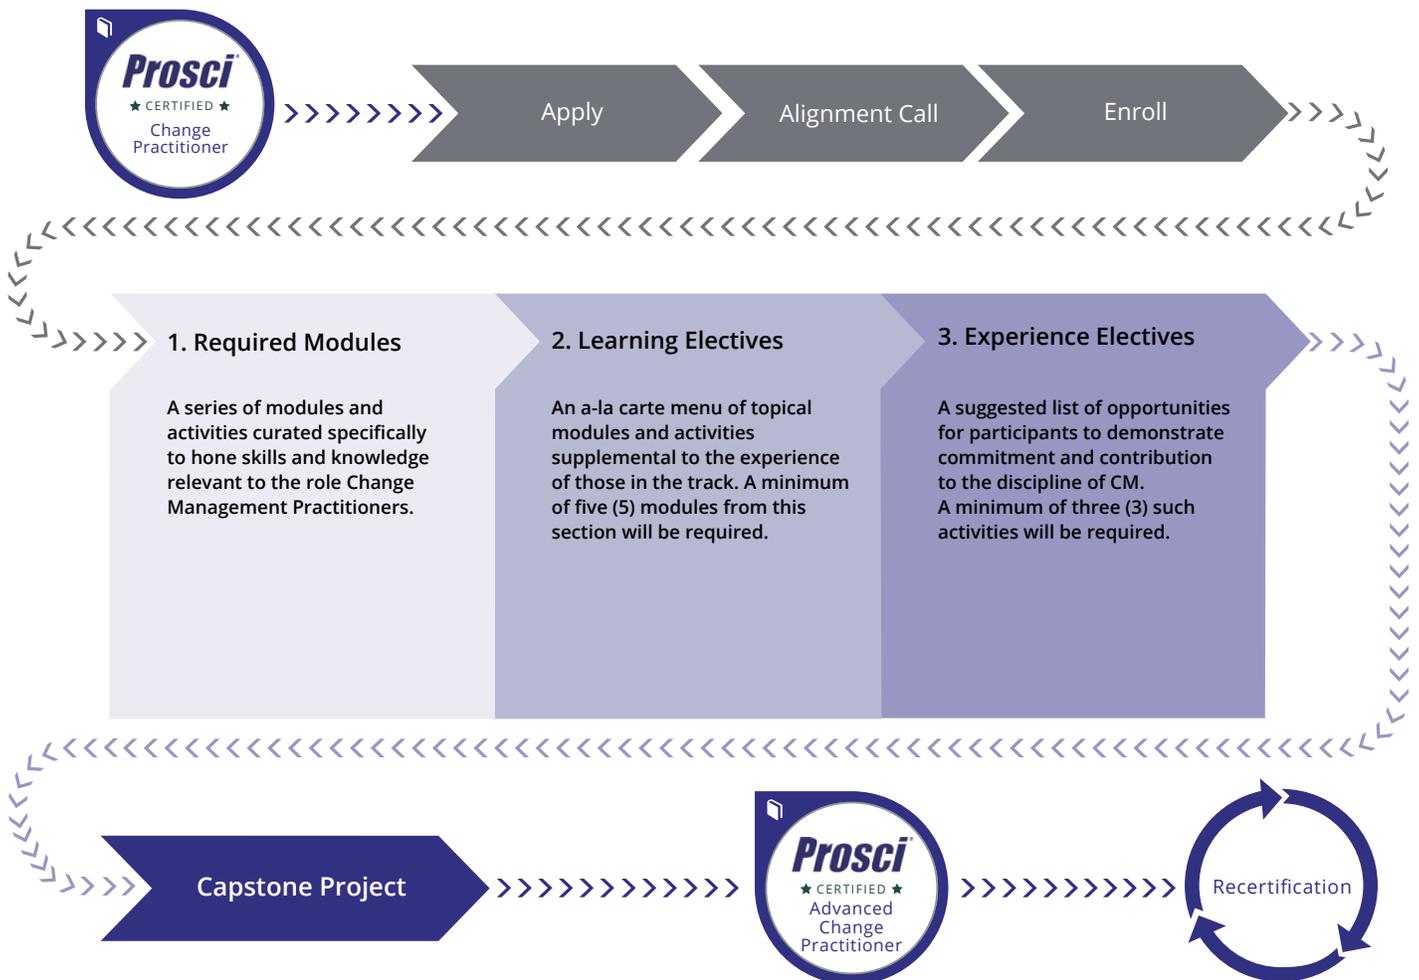

In order to embark upon this track, you will need:

- Prosci Change Management Certification
- Experience applying the Prosci methodology
- Advanced Practitioner Application
- Manager or supervisor reference (see application form)
- Alignment phone call with Prosci
- **Additional Consideration:** Track completion requires you to demonstrate the application of change management on an active project

# Structure of Advanced Practitioner Certification

The Advanced Practitioner Certification consists of a series of modules comprised of either in-person or online education components. You will apply what you learned in each module on a project and submit module outputs for evaluation. Throughout your journey to your Certification, you will have ongoing support from a personal, dedicated Prosci advisor, who will coach you, review your work and provide robust feedback on each assignment.

## Advanced Certification: Practitioner Track

## Investment

The initial enrollment fee with the Prosci Advanced Practitioner Certification Track includes the cost of the independent tools associated with the learning modules, support from dedicated teams assigned to assist you and module evaluations.

Final investment can vary based on the venue packages associated with the in-person training and if additional in-person training is chosen as part of your elective modules. Please review the following pricing structure and contact Prosci with any questions.

Advanced Change Practitioner	
<b>Enrollment fee:</b>	\$3,000
<b>Additional training fees:</b>	No additional training required
<b>Capstone:</b>	\$4,000

## Recertification Requirements

To maintain the advanced certification, Prosci Certified Advanced Practitioners must demonstrate that they have continued engagement in the discipline of change management every two years. This can consist of continued application of change management, coaching other change management professionals, and a series of other activities. This recertification will be tracked between you and your Prosci advisor.

## Frequently Asked Questions

### Do I need to complete the Advanced Practitioner Certification Track within a certain time period?

Yes. From the enrollment date, you will receive 18 months of access to your learning modules and support. An extension can be requested if circumstances necessitate more time.

### How do I access my course modules?

The Advanced Practitioner Certification Track will be accessible through the Prosci Portal. The modules and the associated tools needed to complete each track will be activated upon enrollment.

### Will I have access to support throughout the duration of the track?

Yes. The Advanced Practitioner Certification Track has a dedicated support team ready to assist you as you progress. You will have unlimited access to your Prosci advisor.

### If I leave my organization during the track, can I continue at another organization?

Ideally you will remain at the same organization to complete your Advanced Practitioner Certification. If, however, you do switch organizations, please contact us. We will discuss the circumstances and the possibility of completing your track at your new organization.

### Upon completion of the Advanced Practitioner Track, what will I be able to refer to myself as?

You will be able to market yourself as a Prosci Certified Advanced Change Practitioner.

### How will I track my progress through the Advanced Practitioner Track?

You will work closely with a support advisor at Prosci. On completion of each module, you will submit work for evaluation and receive direct feedback from your advisor. These evaluations will serve as evidence of a completed module as none of your submissions will be saved by your advisor.

### Are all module costs and tools covered in the enrollment fee, with the exception of in-person training requirements and the Capstone fee?

The associated tools for the required modules are covered within the enrollment fee. The majority of the tools associated with the learning electives are also covered. If an elective module carries an additional fee, it will be clearly outlined within that module.
