

Build Your Organization's Change Capability  
With a Prosci License

## Why a Prosci License?

Licensing Prosci's content allows you to tailor Prosci's research-based change management tools, methodologies and training materials to fit your needs. Designed to help individuals and organizations accelerate change capability development, Prosci offers a variety of licenses to enable success at any stage of your change management journey.

With a Prosci change management license, you can:

### Customize

Customize Prosci's methodology and role-based trainings to accommodate your organization's unique attributes and audiences. Brand the materials to give change management a familiar look that is consistent with your company culture and language.

### Integrate

Integrate the Prosci change management approach into your organization's culture and operations. Embed the Prosci methodology into existing change processes and initiatives, and blend Prosci's role-based trainings into your employee and leadership development programs.

### Scale

Build change management competencies across your organization and at your particular stage of your change management journey. Flexible and cost-effective licensing options allow you to leverage the materials that align with your unique needs and budget.

### Standardize

Build consistency and efficiency by establishing a common language for change within your organization. Enable all business units and staff to speak the same language for change and use the same processes and tools.

With a Prosci license, you gain the resources, flexibility and autonomy to customize Prosci's change management tools to your organization's culture, values and business models. Through this enterprise solution, you can institutionalize change competency and create a change-ready culture to succeed on your must-win initiatives.

# License Benefits

Investment in a Prosci license grants you perpetual access to the core content of the license. This also includes one year of the active licensee benefits listed below. A small annual fee allows you to continue receiving these benefits.

As an active licensee, you receive the following benefits in addition to the ability to use Prosci's content:

- Significant discounts on Prosci published books
- Discounts on full training material sets for the courses under license
- Low-cost training package options and à la carte training item ordering
- Ongoing updates upon release of any content covered under the original license
- Administrative support for licensed online tools and resources
- Discounts on Prosci's U.S. public programs (ADKAR Enablement, OCC and ECM Licenses) and select Enterprise Training programs (OCC and ECM Licenses)

## Getting Started With a Prosci License

Every Prosci license begins with a kickoff meeting to help you integrate the licensed materials into your initiatives and drive success.

# Prosci License Options

Prosci offers three licensing options to help organizations achieve change management goals. Choosing the right license for you depends on your objectives and budget. Each license builds upon the previous, providing support and direction at every stage of your journey to change management maturity. Plus, each license includes relevant program content for both in-person and virtual delivery.

## ADKAR Enablement

Create a common language for change and embed the ADKAR® Model into how your organization approaches and manages change.

### Programs/Program Materials:

- Leading Your Team Through Change
- Change Management Employee Orientation
- Taking Charge of Change

- Research Hub – digital versions of *Best Practices in Change Management – 12th Edition*, topical studies, and relevant data across a broad array of topics
- Proxima

# ADKAR Enablement License

Use this license to create a common language for change and embed the Prosci ADKAR® Model into how your organization approaches, leads and manages change. This license provides access to the ADKAR Model for individual change, as well as the related training programs and tools.

## Using the ADKAR Enablement License

Leverage the ADKAR Enablement License to:

- Standardize the ADKAR Model as your organization's approach to the individual change journey
- Equip managers with a framework to lead employees through change
- Provide employees with a way to understand and process the changes impacting them
- Integrate the ADKAR Model into project processes and leadership development programs

## Create a Common Language With Change Management Training

The ADKAR Enablement License gives your organization access to Prosci's research-based training content and the ability to customize this content to fit your culture, brand and specific needs. This license includes program content and facilitator guides for the following programs:

- **Leading Your Team Through Change** – for mid-level managers and supervisors, through to senior directors
- **Change Management Employee Orientation** – for front-line employees impacted by change
- **Taking Charge of Change** – for anyone who needs to understand change management

## Access Robust Digital Tools and Resources

Your organization gains access to the Prosci Hub Solution Suite, a family of online, cloud-based products for change leaders and practitioners. Anytime, anywhere access to the suite's Instructor Hub, Knowledge Hub and Research Hub guides decisions and informs actions, helping your team excel in change management.

A	<b>Awareness</b> – Of the need for change
D	<b>Desire</b> – To participate and support the change
K	<b>Knowledge</b> – On how to change
A	<b>Ability</b> – To implement desired skills and behaviors
R	<b>Reinforcement</b> – To sustain the change

## Included With the ADKAR Enablement License

## What Our Clients Have to Say

*“Here at CDOT, we know that building and maintaining effective organizational change capability is crucial. Prosci’s comprehensive approach is straightforward, research-based, easy to use, and aligns with our strategic direction. This partnership is fundamental to our success.”*

**Gary Vansuch, Director of Process Improvement  
at Colorado Department of Transportation**

*“A Prosci license was critical to building an enterprise-wide change capability. The license gave us both the structure to standardize Prosci’s change management approach and the flexibility to integrate change management into our established strategy, leadership development and project processes.”*

**Carla Howard, Change Management  
Center of Excellence at Avnet, Inc.**

*“The Prosci Organizational Change Competency License makes it easier for me as a Prosci Certified Advanced Instructor to teach the practitioner class. The license allows us to print training materials on demand. It’s an easy interaction process with Prosci.”*

**Mike Prazniak, Revenue Cycle Program  
Change Management Office at Florida Hospital**

*“This offered us incredible flexibility and freedom to customize the tools the way that made sense to the audience we were delivering to, to really match the messages about change management and change leadership with our particular audience of stakeholders, and to put a Citrix logo alongside the Prosci logo, and really help the organization feel ownership over these tools and techniques to help lead change more successfully.”*

**Amy Haworth, Director of Organizational Readiness  
at Citrix Systems, Inc.**
